

The 2015 Skipping Stones Honor Awards

Each year, we recognize outstanding books and teaching resources with the **Skipping Stones Honor Awards**. This year, we recommend 25 outstanding books and five teaching resources. These books promote an understanding of cultures, cultivate cooperation and encourage a deeper understanding of the world's diversity. They also encourage ecological richness, respect for multiple viewpoints and closer relationships within human societies. These unique titles offer an exciting way to explore and understand diverse cultures, places, societies and their histories. We thank the many readers and reviewers who helped us select these great reading adventures and learning experiences for readers of all ages.

The reviews can be downloaded from our website, www.SkippingStones.org.
