

The 2023 Skipping Stones Honor Awards

We are pleased to recommend the following 28 outstanding books—in Multicultural, Nature, and Teaching Resources categories—as our 2023 award winners. These picture books, chapter books, novels and nonfiction works promote an understanding of cultures, cultivate cooperation, and/or encourage a deeper awareness of nature, ecology, and diversity. They foster respect for multiple viewpoints and closer relationships within human societies. The honored titles offer various perspectives, help us understand our diverse cultures and their histories, and how we overcome challenging situations. Hearty congratulations to the creators of these excellent books!
